Sadness :( for us.

Very thrilled for her new opportunity. Let me know of any party scheduled for her.

**Subject:** My Resignation from CCEA- New Beginnings

Dear Colleagues:

After 9 long years of working for the Central City East Association and the Industrial District, I submitted my resignation and will be embarking on the next chapter in my life.

Working at CCEA and in this area has been a great experience and education. I've experienced many highs and lows, and both experiences were beneficial to my growth. Downtown LA has come such a long way, and it's amazing! I'm proud to have witnessed it. I have a wonderful opportunity to invest my time in the South Bay, where I live.

My last day will be July 8, 2016. Thank all of you who have worked with me, fought with me, and helped me in any way in my capacity as first Managing Director, then Executive Director for CCEA. I wish you all the very best.

The search for a new ED has begun. Once that person is selected, an email announcement/introduction will be sent.

Sincerely,

Raquel K. Beard, Executive Director
